### **Product Description**

Dress your bed in luxury with this thicker, silky duvet cover set. Constructed of 100-percent Egyptian Cotton, the yarns are singly ply, sateen weave, which promotes a silky texture and durability. Duvet set should be laundered before initial use, and may be ironed if needed. As with all fine linens, care in washing should include the use of cold water and a low heat dryer setting; never wash or dry with hot heat, to preserve fabric. This duvet set will soften with ...
